

I AM WHATEVER I SAY I AM - Activity 1 (all ages)

Match Up

Directions: After reading the book, cut out the cards below, separating each term from its definition. Have students place the term cards face down in rows, and in a different group, place the definition cards face down in rows. Then take turns choosing one card from the terms group, and try to match it up with the correct definition from the definitions group. Once matching pairs are found, students may only keep them if they can give an explanation of how the affirmations on their pairs resonate in their lives. The object of the game is to be the player with the most matching pairs.
